Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My HRT regimen includes compounded progesterone. There is no pharmacy in my area that offers the compound as well as dealing with my insurance carrier. Ordering by mail is the only suitable option for me!
